

From Larson House...

On the activities calendar for July 18 at Larson House, you will find Hobo dinners by Roger. Resident and former Columbus Fireman, Roger and staff created 40 Hobo's for everyone at Larson House. What is a Hobo? Basically, you take a large piece of aluminum foil, pack it full of ingredients, seal it and cook until done (stove, grill or fire pit). Roger's recipe below;

From Autumn Oaks...

It's official, Autumn Oaks is now the sixth community in the Platinum portfolio. Thank you to all the staff and residents for their patients during our transition. Welcome both our new Administrator Shannon Jones, and House Manager UC. Shannon started out as a caregiver, chef and worked her way to now an Administrator. UC also started out as caregiver, activities director, and now House Manager. Congratulations to both!

From River View...

Dr. James Milford from Three Oaks Health has agreed to serve our community as Medical Director. Dr. James Milford, who for more than 20 years has worked in the Lake Mills and Johnson Creek areas for Watertown Regional Medical Center, has started his own family practice clinic, Three Oaks Health, 480 Village Walk Lane, Johnson Creek.

From Country View...

Monday, July 31 at 2:30pm we are meeting with Dr. Shibata from Paro Robots, for a demonstration, Q&A and review of their biofeedback therapy seal. Designed to stimulate calming and nurturing actions in residents that may be depressed or suffering anxiety, especially for those with Alzheimer's or other forms of dementia.

Submit your ideas and materials to Rod Humpal, Director of Business Development, Rod.[Humpal@pt-78.com](mailto:Rod.Humpal@pt-78.com). Thank you in advance for your input.
