

From **River View**

Welcome Ericka Niemann

Local artist couple bring back to life the old smiley face murals. Jake Schultz and Ericka Niemann pose with their son, Riff, below the repainted smiley face mural on the Mullen's Dairy Bar building in downtown Watertown.

Niemann attended Watertown High School and later received an associate's degree in photography at Madison Area Technical College. Ericka recently joined River View Assisted Living part-time in housekeeping.

We are inspired by Ericka's passion for Watertown history. River View has a rich and awesome history as the first Watertown hospital. Please join us in welcoming Ericka. We hope she shares some of her many talents with us.

Boy or Girl?

Residents and staff enjoyed a baby reveal contest and celebration for staff member Dominique. It's a boy!
