“Jamie has long been a passionate and compassionate care giver, team leader, manager, and Administrator. She truly cares about her residents and her staff. I have watched Jamie grow professionally and progress within the organization. At each step she has been an outstanding performer and major contributor. Jamie’s promotion to Director of Operations is another step on her progression, and positions her to continue to make great contributions across all of the organization. We expect Jamie to be a key member of the management team at Platinum Communities for long to come.”

Jamie has five children; Reina 4, Jacob 10, Bryan 11, Briana 12, and Damian 13. Her family life includes movies, sledding, waterparks, and camping. In her spare time, she enjoys reading. Join me in congratulating Jamie in her accomplishment!
