

Growth is never by mere chance; it is the result of forces working together

It is exciting times for Platinum Communities as we announce development and expansion plans. As we move forward with our growth at Platinum Communities, we know it will not be by chance, but through a Team of dedicated people coming together to do what is best for those within our care, their families and all who are touched by our care.

Lower East Side office building to be converted to senior community

Development plans call for 65-bed facility on North Farwell Avenue

by [Alex Zank](#), March 22, 2019, 2:06 PM

A group of developers has plans to convert the Fenwick Office Building on Milwaukee's Lower East Side into a senior living facility.

Robert Chandler, managing member of Caledonia-based Midwest Commercial Funding LLC, said he and development partner Peter Ogden, president and chairman of Milwaukee-based Ogden & Co., are planning to redevelop the six-story, nearly 38,000-square-foot vacant office building at 1442 N. Farwell Ave. into a 65-bed facility.
