

## It Takes a Platinum Community

Congratulations DeShawn Kehl Administrative Assistant Larson House!

DeShawn started as a Caregiver three years ago at Larson House. She was promoted to Team Lead, and recently accepted the position as Administrative Assistant. Pictured below, DeShawn promoted Larson House at the recent Senior Expo in Beaver Dam. More about DeShawn...

"I have three amazing children, two daughters ages 20 and 9, Kaylee and Haven, and one son Caanan 13. I enjoy every minute with them.

I enjoy anything outdoors, to a good movie indoors. My favorite season is Fall. It's not too cold out, and not too warm, the leaves changing colors on the trees are breathtaking."

Happy Birthday Vince!

We recently celebrated Vince Hughey's birthday at our Administrators meeting. Vince is our Director of Facilities Maintenance. Vince and his contributions to our Communities are too numerous to list here. His contagious smile, positive energy and talents are visible throughout Platinum Communities.

Thank you both DeShawn and Vince for what you do every day!
