

# The of Platinum Communities

We are  growing at Platinum Communities! We are pleased to introduce Tanya Eternick, Administrative Assistant, Kathy Miksa, Accounting Assistant, and Kristin Bonlender, Human Resources Generalist (pictured below with John and Matt Teresinski).

Welcome Kristin Bonlender – HR Generalist

My background includes varied roles within HR from recruiting to benefits. I have worked in corporate environments, manufacturing and most recently with an assisted living and memory care company.

My husband and I have three children – daughter age 7 and sons ages 3 and 1. We live in Slinger, WI. They keep me busy! I enjoy watching them

explore new things from swim lessons to library time. My personal interests include cooking, sports and music. I am excited to be part of the Platinum Communities Family and look forward to meeting everyone!

Welcome Kathy Miksa - Accounting Assistant

My background is that I worked for a family run hotel for over 25 years as the right hand to the owner. My most recent job was working in the accounting office at a continuing care retirement community.

I live with my boyfriend and together we have three boys age 20, 18 and 16. The two older boys are in college and the younger boy is in high school. I enjoy working out, yoga, reading, cooking and classic muscle cars.

I am very happy to work within a family run business again and am very thankful for this wonderful opportunity!
